Elections!

While not a call to action, I would like to thank Koshare for the great article from their monthly newsletter! It shows a great device to help get for elections. As the Order of the Arrows most important part of keeping membership up, it is good to see chapters like Koshare staying in communication. Go Wiatava!

Election season has begun and we need Arrowmen to join the election team and help with the election process. As part of the election team, you would receive notification on upcoming elections and be asked to attend some of them to aid anywhere from presenting to counting ballots. Each election will need anywhere from three to four scouts total to participate, so if you are interested in joining the team please contact me at flip4legos@gmail.com

The National Order of the Arrow Conference is the Order of the Arrow’s largest national program event. The reason for its growing popularity can be attributed to the fact that it is planned and carried out by Arrowmen. Youth involvement ensures that the conference program will be exciting, relevant, and non-stop fun.

During NOAC, Arrowmen will participate in a six-day conference which includes top notch training sessions, cool recreational opportunities, evening shows full of theatrics and special effects, and exciting programs.

Wiatava Lodge once again plans to send a sizable contingent to NOAC in 2018. If you sign up today, you have the chance to go to NOAC 2018.
